

WKF Germany inc. is of benefit to the public and stands to the sport for  
„People with impediment“

Germany WKF inc. develops since the new establishment very fast. Approx. 4 weeks ago it was confirmed to the association the charitable benefit by the water of financial director. The application was made with the tax authorities at the end of March and because the charitable benefit is valid for the whole area of the federal republic, it was checked here intensely and very exactly. Because such a case was not given till present to the tax authorities yet, some talks had to go between the authority and Mr. Tillmann, to the president WKF Germany inc. are led, until it has come for this decision. In the meantime, WKF Germany inc. has begun the planning, in 16 federal states isolates land associations to found.

Besides the association with the German-Olympic-Sports-Association (DOSB) and the International Olympic Committee (IOC) stands in connection. The aim in the future is a full membership in the DOSB. „But this is not so easy“, believes Mr. Tillmann, „we have already fulfilled some important point for the admission in the DOSB. Now it is important to fulfill still the last two points. “Moreover, WKF Germany inc. has made an application for full membership in the TAFISA. The TAFISA "sport for everybody" stands under the motto. This organization represents the sporty part of the United Nations (UN) and is supported financially by UNESCO, the EU Commission and the Federal Government. Other support gets the TAFISA by the IOC and the DOSB.

Moreover, an important part in WKF Germany inc. is not the sport for „people with impediment“ and only since the Paralympics to plays.

Since the new establishment in April, 2012 it is a column in the association. The vice president WKF Germany inc., Mr. Horst Kohl, is responsible here as a qualified expert. Mr. Kohl already works together since decades with people with impediment. In future people will take part with the tournaments of the association also with impediment. This is planned in March, 2013 with the German mastery WKF Germany inc. „Here we will inform in the future and in the next report even more“, according to Andreas Tillmann, „this are people who just have interest in the popular sport and also produce the same achievements, how people without handicap.“ Hence, WKF Germany inc. works on the conversion on forming the single disciplines in such a way that for the people with impediment participation is possible.

In spite of the good development WKF Germany inc. the office and the liaison mission will also remain in future for „people with impediment“ in Schweinfurt and the office of the president in Laufenselden; also the office for media work and press work of the world WKF remains in Laufenselden.

With the meeting of the management of the world association during the world championship in Croatian Mr. Tillmann was chosen unanimously by the present members for other two years to the secretary general. We will hold „the meetings of the members WKF Germany inc. furthermore in Frankfurt am Main“, according to the statement from Andreas Tillmann.
